

WAVELLITE

MARITIME

About Us:

Wavellite Maritime is a globally trusted maritime company offering comprehensive ship management, crewing, commercial, and consultancy services. With a strong emphasis on operational excellence, safety, and sustainability, we are your dedicated maritime partner. Wavellite Maritime with its head office in Dubai and representative office in India is committed to rendering services within the framework of client-specific requirements to the highest industry standards. We firmly believe in the value of our people, leadership, and technical expertise, which collectively ensure the delivery of highly efficient, safe, and reliable services. This dedication allows us to achieve the best possible results for our valued clients. Crew management refers to the processes involved in the recruitment, deployment, training, welfare, and administrative handling of seafarers for shipping companies. Key Responsibilities (a) Recruitment and Manning Sourcing qualified seafarers. Verifying certifications (S T C W compliance). Conducting interviews and background checks. Assigning crew to vessels based on their skills and experience. (b) Training and Certification Ensuring mandatory training (e.g., fire fighting, first aid, survival techniques). Continuous professional development. Monitoring certification validity and renewals. (c) Scheduling and Rotation Managing crew changes and relief planning.

Our Team

Wavellite Maritime employs and engages efficient, qualified, experienced, motivated and well-trained professionals to manage its services. Our experienced team of highly professional Master Mariners, Chief Engineers MICS, Broker, Ship Agent and other industry experts with decades of experience are the main pillar.
